I'm in the same boat. Bagging it and headed home. I will call you in a bit.

Thanks. I heard BART wasn't operating so I'm not surprised you can't get in. What a drag.

Elizabeth and Debbie,

Per my voicemail to Elizabeth, I can't get into the city due to BART problems. I've given up after an hour at West Oakland and two hours total. So I can't be at the Exide

call in person.

Matt Salazar was on the same train as me and we are riding back together right now...
